Record a new session

Launch Panopto
If you have Panopto installed, you can launch it from here.

Launch Panopto
(Requires Installation)

Download Installer
Windows 7 and up

Download Installer
OS X 10.9 and up

Download Installer
OS X 10.8

Automatically record and upload PowerPoint, video, and audio presentations on Windows PCs. Schedule recordings in advance on your Panopto site.

Contact your administrator to learn more about how to make use of this Panopto feature.

This type of file can harm your computer. Do you want to keep Panopto Recorder.pkg anyway?

Step 3.

- a) Select the OS Version.
- b) Do one of the three below.

If you use *Google Chrome* and see the **Keep** button, click on it. Otherwise, go to **Step 4**.

If you use *Safari*, click on the download icon on the bottom-right corner to save it.

If you use *Firefox*, click **Save File**, then click **Save**.

Record a new session

Launch Panopto
If you have Panopto installed, you can launch it from here.

Launch Panopto
(Requires Installation)

If Panopto didn't launch, ensure you've downloaded and installed the latest version of Panopto below.

Panopto
Record PowerPoint, video, and audio presentations on Windows PCs. Upload recordings to your Panopto site to share with your coworkers.

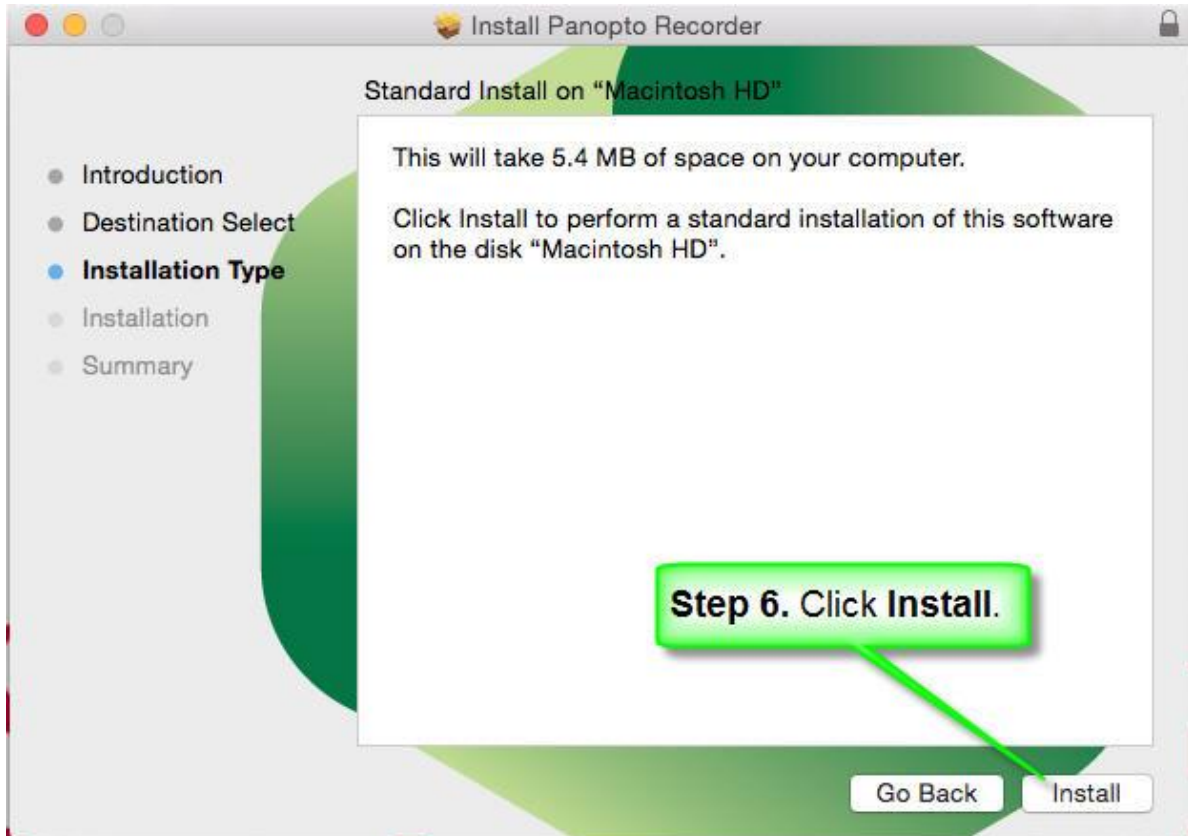

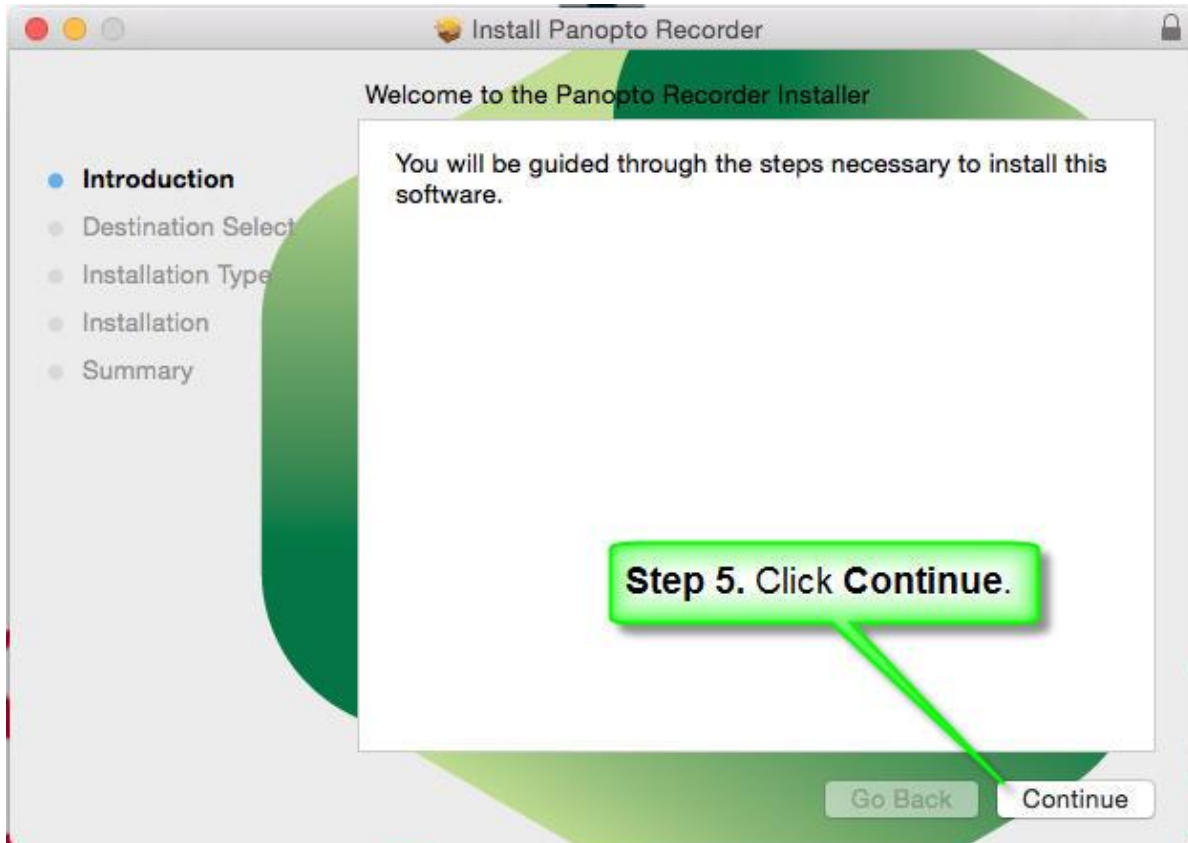

Remote Recorder
Automatically record and upload PowerPoint, video, and audio presentations on Windows PCs. Schedule recordings in advance on your Panopto site.

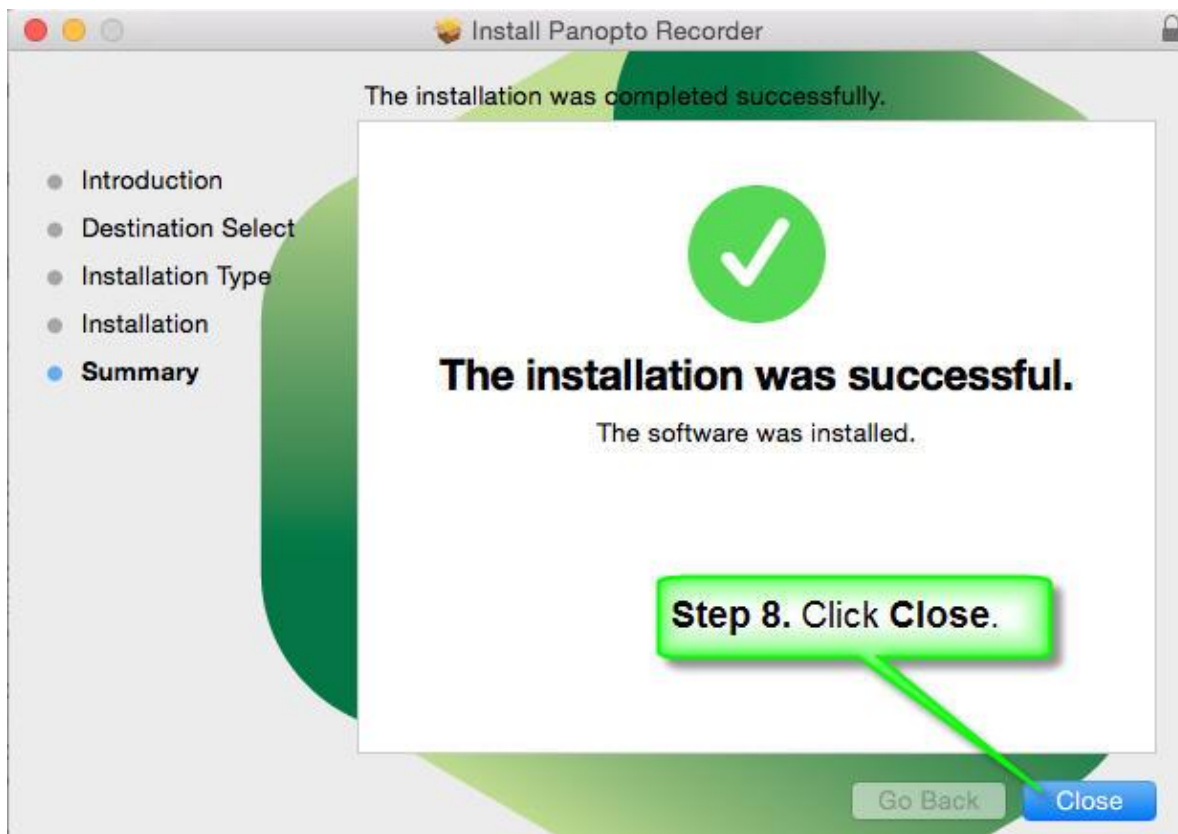

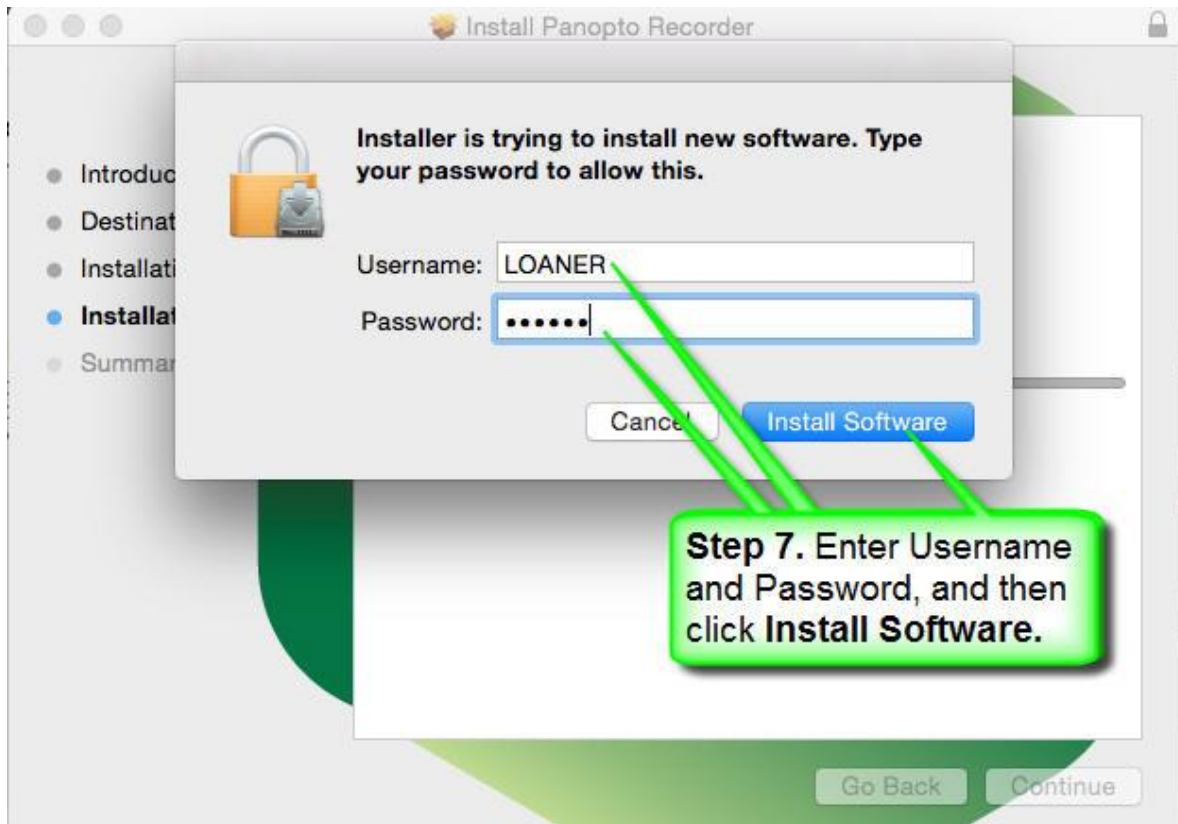

Contact your administrator to learn more about how to make use of this Panopto feature.

Step 4. Click and Run the Panopto Recorder.pkg file. Do one of the two below.

- If you use *Google Chrome*, click this button to run **Panopto Recorder.pkg** file.
- If you use *Safari* or *Firefox*, go to the **Download** folder to find the **Panopto Recorder.pkg** file. And then click the **Panopto Recorder.pkg** icon to install the Panopto Recorder.

Panopto Recorder.pkg

Record a new session

Launch Panopto
If you have Panopto installed, you can launch it from here.

Launch Panopto (Requires Installation)
If Panopto didn't launch, ensure you've downloaded and installed the latest version of Panopto below.

Download Installer Windows 7 and up

Download Installer OS X 10.9 and up

Download Installer OS X 10.8

Remote Recorder
Automatically record and upload PowerPoint, video, and audio presentations on Windows PCs. Schedule recordings in advance on your Panopto site.

Contact your administrator to learn more about how to make use of this Panopto feature.

Step 9. After you have the Panopto Recorder installed. You can click on the **Launch Panopto** button to open the recorder.

External Protocol Request

Google Chrome needs to launch an external application to handle panopto: links. The link requested is panopto://stjohns.hosted.panopto.com/recorderlaunch?dXNlcmtleT13dXMmYT1yZWNVcmQmb2F1dGhfdGltZXNOYW1wPTE0NiIwNDA3NDomb2F1dGhfy29uc3VtZXJf

Step 10. Click **Launch Application**. (Note: This Step is only for Google Chrome user. If you use Firefox or Safari, go to **Step 6**.)

If you did not initiate this request, it may represent an attempted attack on your system. Unless you took an explicit action to initiate this request, you should press Do Nothing.

Remember my choice for all links of this type.
